CITY OF NICHOLS HILLS, OKLAHOMA

Streetlight Banner Bracket Use Policy and Procedure

This is the City of Nichols Hill's policy and procedure regarding the hanging of banners using the City's brackets on streetlight poles as permitted by Sec. 38-27 of the Nichols Hills City Code. In addition to the requirements set out in Sec. 38-27, use of the City's streetlight banner brackets for hanging banners must comply with the following:

- **City Council approval is required.** Anyone wishing to hang banners on the City's streetlight poles must file a written application with the City Clerk pursuant to Sec. 38-27 of the Nichols Hills City Code, and that application must be approved by the City Council at a City Council hearing prior to any use of the streetlight banner brackets.
- **Display time.** Banners may be displayed for no longer than 14 days.
- **Banner size.** Banners must have a 1½ inch sleeve and be 20 inches wide and 72 inches long (including the sleeve).
- **City responsibility.** The City is not responsible for wind, weather or other damage to banners (such as hook and loop attachments blown off; ripped banner sleeves due to wind, weather, or failed glue; and the like). Refunds or credits will not be issued for damaged banners.
- **Installation and removal of banners by the City.** The City will install and remove up to 20 banners on applicant's behalf. If applicant wishes to install more than 20 banners, it must secure a contractor to do so. Further, if applicant wishes to install the first 20 or fewer banners, it may do so, but it must secure a contractor to do so and a different charge will apply, as set out below.
- **Installation and removal of banners by applicant's contractor.** Applicant's contractor may install and remove applicant's banners, subject to the following:
 - Applicant's contractor must be approved in advance by the City's Public Works Director.
 - Installation and removal must be done using a bucket truck or other method approved by the City. Ladders may not be used. Banners must be secured to the pole with a tie.
 - Electrical receptacles may not be used without the City's permission. If use is approved, all electrical appliances and cords must comply with National Electrical Codes.
- **Charge for banners installed and removed by the City.** For banners installed and removed by the City, a \$36 installation and removal fee per pole is required as set out in the City Fee Schedule. In addition, a \$15 use fee per pole will be charged.
- **Charge for banners installed and removed by applicant.** For banners installed by applicant's contractor, a \$115 deposit per banner bracket used must be paid to the City Clerk. A \$15 use fee per pole will be charged and withheld from the deposit. After the banners are removed, the City will inspect the poles and brackets. If no damage occurred as a result of applicant's use, the City will refund the balance of the deposit to applicant.
